## Annual Per Capital Disposal

### Employees

Total Number of Employees: 1268

Explain who was included in this number and how was this employee number calculated.

*Employee count was generated through Access Control Count & Photo I.D. Log, with work sites located in District 6; including divisions of Maintenance, Construction, Environmental, Local Assistance, Administration, Right of Way, Shop, Project Development, and Program Project Management.*

### Non-Employee Population

Total number of non-employee population: 12588

Population Type: Visitors

How was this population number determined?

*District 6 Security maintains a sign-in log at each location. Every non-employee that enters our establishment must sign in and state their reason for entering our facility. Visitor including County & City officials, public permits, contractors, consultants, vendors, and students. District 6 also provides training to the central region. We also assist with providing a polling station which is open to the public.*

## Disposal

Total amount disposed: 2,731.00 tons

Total transformation: 0.00

How was this disposal number determined?

*The disposal number was calculated by estimates using weight-to-volume conversions provided by District 6 trash hauler. Also District 6 receives reports from Construction and Maintenance via (CEM-4401). The CEM-4401 identifies the type of material and activity. The amount taken to landfill (tons), amount diverted from landfill (tons) and amount generated and then reused on the job (tons). This submitted at the end of a project or if ongoing at the end of a calendar year.*

## Annual Results

	<u>Employee Population</u>		<u>Non-Employee Population</u>	
	<u>Target</u>	<u>Annual</u>	<u>Target</u>	<u>Annual</u>
Per capita Disposal Rate (pounds/person/day):	27.50	11.80	0.00	1.19
Per Capita Transformation Rate:	5.50	0.00		
Calculated Disposal Rate (pounds/person/Day):	--	11.80		

## Questions

What types of waste are still thrown away (not reused, recycled, or composted)?

*Styrofoam will always be an issue.*

What difficulties or obstacles have you had with finding ways to recycle, reuse or compost these types of wastes?

*I still see individuals not taking the time to recycle.*

## Programs

### Recycling

#### Material Exchange

Nonprofit/school donations  
Internal property reutilizations  
State surplus (accepted by DGS)  
Employee supplies exchange

*It is strongly encouraged that District 6 employees use electronic files, such as e-mails, e-files, and attachments to save on paper and storage. Prior to ordering supplies, furniture or miscellaneous items, the District checks with Department of General Services (DGS) to see if they have the items requested in surplus to be utilized. If the item is not available through DGS before purchasing from an outside agency all districts must inquire with Prison Industries Authority (PIA) to ensure it is not produced or sold by the state. All furniture and equipment is used until it reaches a non-functional stage and then it is disposed using the proper channels.*

Reuse of packing materials

Reuse of construction/remodeling materials

Double-sided copies

Email vs. paper memos

Remanufactured equipment

*District 6 employees rely on e-mail, online forms, electronic bulletin boards and electronic documentation storage for communication with each other. This practice saves on rendition storage as well as paper use. The Reprographics department always prints out hand-outs, training material, binders, statues reports and all other documentation using sided copies on recycled paper. Equipment, supplies and furniture are used and shard among the Caltrans employee until it is not longer safe to functional to do so.*

## Green Procurement

Recycled Content Product (RCP) procurement policy

Environmentally Preferable Purchasing (EPP) procurement policy

RCP/EPP and/or SABRC requirements language included in procurement contracts for products/materials

Other green procurement activities (explain in Agency Program Notes below)

SABRC requirements and/or SABRC reporting requirements in FISCAL

*District 6 purchases recycled paper from Small Business vendors who are certified by the Sustainable Forestry Initiative (SFI) to support the department recycle and reuse policy.*

*Our Auto Pool Fleet vehicles are removed for service due to age, miles, repairs and safety issues, a hybrid or eclectic vehicle put in its place.*

*Caltrans and the Department of General Services works hand-in-hand with our Custodians purchasing only ECO friendly cleaning products for all our buildings.*

## Training and Education

Employees are educated on the advantages of hybrid and electric vehicles in our fleet as auto pool vehicles are removed services do to age, miles, repairs and or safety issues and hybrid or eclectic vehicles are put in their place. Caltrans and the Department of General Services work hand-in-hand with are Custodians purchasing only ECO Friendly cleaning products for all our buildings. When possible District 6 purchases refurbished or repairs equipment for employee use. When possible training is provided as on-line class reduce paper waste. Large documentation is electronically and referenced from the employee workstation. Large documents are only printed for employees without computer access. We encourage outside vendors to provide seminars to our employees that introduce green living not only at work but at home.
